**Anyone interested in the ACM must first contact their home state coordinator to start the application process and inquire about your state's deadlines.**

**WVU deadlines for accepting state certification letters from participating states, which would include: applying, reapplying or changing major.**

**Fall Semester: July 31**

**Spring Semester: December 15**

**Summer: April 30**

**Certification letters received after the deadline, will be applied to the next academic term.**
